Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$5,000 Deductible *\$500 Optum Rx Only	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">Plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your deductible?	Yes	You have to meet a <a href="#">deductible</a> for specific service.
Are there other <a href="#">deductibles</a> for specific services?	Yes	<b>\$5,000 Deductible for Maternity</b> <b>*No Deductible for Generic, \$500 OptumRx <a href="#">Deductible</a> Only for Tier II, III, &amp; IV.</b>
What is the <a href="#">out-of-pocket limit</a> for this plan?	<b>No <a href="#">out-of-pocket limit</a>.</b>	
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.firsthealth.com">www.firsthealth.com</a> or call 1-800-226-5116 for a list of network providers.	This plan uses a <a href="#">provider</a> network. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's</a> network. You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your plan pays ( <a href="#">balance billing</a> ). Be aware your network <a href="#">provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a specialist?	No	You can see the specialist you choose without a referral.
